

FORENSIC SCIENCE LABORATORY REPORT

Report Version 1 (Preliminary)

Case FIR No.: MUM/2026/0217 **Referred By:** Bandra PS **Examining Officer:** Dr. Anjali Menon, Scientific Officer **Unit:** Regional FSL **Badge ID:** FSL-0231

1. Items Received

1. Digital device images extracted from seized mobile phones
2. Server access logs of the 'QuickGain Invest' application
3. Bank transaction records associated with the accused's accounts

2. Preliminary Findings

Initial analysis of the extracted device images shows a consistent pattern of coordinated fund transfers across multiple victim accounts into a small set of consolidating wallets. Server logs indicate the application backend was administered from a single set of credentials linked to the named accused persons. Full comparative analysis of transaction metadata is ongoing and will be finalized in a subsequent version of this report.

3. Status

Preliminary — subject to revision pending completion of the full digital-forensic comparison.

This document is a system-generated demonstration record for the CaseVault prototype and does not correspond to any real investigation.
